

Abrigo Meruzzano, BARBARESCO

Meruzzano is the second largest cru in the **Barbaresco** growing area. The vineyards are between 15 and 25 years old, and produce a wine which is fresh and fruity right from the outset, with tannins that are -ne and immediately noble.

The wine is released 3 years after the vintage.

Barbaresco is full-bodied and mouth-filling, showing elegant, silky tannins.

Ruby red; bouquet packed with great elegance, and hinting at red fruit such as sweet and sour cherries. Well-balanced, dry taste, already very appealing the first year after its release.

We recommend serving at a temperature of 16-18°C

LANGHE NEBBIOLO

SETEVIE

Designation of Controlled and Guaranteed Origin

Settevie - the meeting point of no fewer than seven roads - is the old name for the hamlet where the winery is located. The wine's style is contemporary: deep ruby red, with elegant aromas recalling raspberries when it is young, while after maturing in wood its bouquet becomes more balanced and refined. Opening recommended two to six years after the vintage, or longer.
